REMINDER WHERE ALL THIS HAPPENED?

Bandja - Cameroun

Bandja is a village of 6167 inhabitants in the Haut-Nkam department of the West region in Cameroun. Location: 5,266540, 10,228672

BANDJA

Former foundation of **Christiane Teyang**

We want to continue Mehdi's and Lienou's Mom charity work by helping children in Bandja's schools.

The three schools in Bandja

We reached out to the three local, public schools. Two primary French speaking and one bilingual, French and English primary schools.

In total 690 pupils in all three schools.

None of them has electricity nor running water. Does it remind you your school?
